

Around-the-Clock Support

You may not know it, but you have around-the-clock protection against the increasingly savvy perpetrators of card fraud. That's because the cards we issue are protected by SecurLOCK.

Through an important partner of ours we provide industry leading technology, tools and the expertise to manage fraud. Experienced fraud analysts work around the clock, watching for any suspicious card activity and will contact you immediately if they detect potential fraud on your card.

So, if you ever get a call from "Fraud Prevention Services" know that our analysts are doing their job and preventing potential fraudulent use of your card.

Fraud is serious business, and can hit anytime. That is why we are always on guard to detect and prevent fraud from happening to you.
